assigned. All refusals shall be reported to and recorded by the Chief of his/her designate.

(f) The Fire Chief and the Mayor shall take steps to maintain promotional opportunities by obtaining, for Fire Department personnel periodic Civil Service Commission qualifying examinations for higher ranks and by declaring job vacancies as they occur.

B. 1. Class B: This position is any temporary out-of-title position caused by vacation, sickness, injury, military leave, funeral leave or emergency leave. Any person covered by this Agreement who is requested to accept the responsibilities and carry out the duties of position or rank above that which he/she normally holds, shall be paid at the rate for the position or rank while so acting.

2. Regulations for Class B:

(a) Any person who is assigned to the higher position will be paid for the days he/she worked in the higher position, excluding days off.

(b) The person assigned will be paid the difference in the hourly rate of the out-of-title position.

(c) Acting Captain will be performed by journeymen firefighters in the same company, if possible.

WD

(d) Acting Battalion Chief will be performed by Captains on the same platoon.

(e) Acting Deputy Chief will be performed by Battalion Chiefs on the same platoon.

(f) In the event of a promotional list, only personnel on the list will act out-of-title in the higher position. In the event there is no individual on the list permanently assigned to a Company, pursuant to Civil Service Commission Regulations, personnel on the list will be reassigned to perform the acting out-of-title work. If there is no promotional list, then the acting out-of-title position will be performed by a journeyman assigned by seniority. At the company level, the acting out-of-title position will be rotated on a four (4) day working basis. In the event of a two-part promotional examination, in which an interim list is issued, only personnel on the interim list will be deemed "qualified" to act out-of-title in the higher position.

(g) All acting out-of-title assignments for Captain, Battalion Chief and Deputy Chief will be distributed on an "equitable basis." "Equitable basis" shall be interpreted to mean the number of days worked as opposed to the number of assignment in higher position.

WD

C. The reason for the differential is that the responsibility assumed by the individual acting in the higher title is not adequately compensated. The reason for this is that they are being paid only for the days that they work and not per diem. An individual working in permanent rank on a per diem basis is receiving 1/365 days salary, because he/she is paid for his/her days off and vacation days. The individual acting out-of-title does not have the advantage of the per diem rate.
